

CHRISTMAS CLASSIC RULES

1. It is encouraged to bring a generator as power is sub-par, however YOU CANNOT RUN GENERATORS OR PROPANE HEATERS INSIDE THE BARN!!!
2. Payment is CASH ONLY after December 1.
3. Be civil. This is still a youth event, so appreciate the young ones around us at all times and be respectful of the judge and others.
4. No artificial filling of livestock, e.g., NO PUMPING.
5. No straw. You may put shavings down in the indoor arena but are required to pull the shavings back 5 feet from the rail before you leave. This allows the fairgrounds crew to easily clean the shavings up.
6. If you intend to rent a box stall for overnighting (\$10.00), you must include this in your early entry registration packet. There is NO guarantee of a stall and the show staff will not reserve them for you. If you use a stall, please be sure to pay for it. Every year we get stuck paying for stalls that weren't paid for and this only cuts into what we pay back out to the kids.
7. If weather permits, trailers can be parked on the West parking lot. If you put shavings down, you MUST clean them up before leaving.
8. Do not park your trailer in the load/unload alleys. Quickly unload and go park your trailer in the West parking lot.
9. This show adopts the RMJSS rules: please read and familiarize yourself with them.
10. This show is for prospects only. No market weight steers or bred heifers (except for fall 2020 heifers who may have just been serviced).
11. Last of all, please come with a smile and be ready to have a wonderful time.
